

3rd Annual School Safety Training Conference

February 19th – 22nd 2024

Holiday Inn Saratoga, 232 Broadway, Saratoga Springs, NY 12866

Conference Schedule

The Committee on Policing and Safeguarding Schools (C-PASS) understands that protecting students is an ever changing task and one of the utmost importance. The committee constantly strives to identify new issues and develop training to meet those needs faced not only by school resources officers but all those involved in the school community. Since the committee is not bound by a single state agency, or under any state mandate, C-PASS can be flexible and swift in tackling new school issues. We have been successful thus far in all of our endeavors by understanding the importance of collaboration, because in the end we are always BETTER TOGETHER.
